- * Intro to Business, Leadership, Marketing, Economics, and Business Law.
- * The accounting courses
- * The excel classes I took
- * All were valuable and helped improve my skills.
- * Accounting course and Business Law
- * All my classes were valuable.
- * all courses are valuable on its classify.
- * The complete accounting series and the business management courses help to gain an understanding of the tools necessary for any entrepreneur. Also, the knowledge for these classes helped to gain a practical application understanding. More on how to do thi
- * Ba 276, ba281
- * Well should have had better coverage. No accounting tutor in my last several terms. Amber lamadrid and Harry Dewolf are amazing all in teacher, also many others. Maybe spread a bit thin at times.
- * Business communication
- * BA211
- * I think all accounting classes and financial statements clases.
- * The quickbooks class was great. Wish it was longer to really cement the techniques in my head.
- * Accounting was done very well. I didnâ€™t take many business courses here. The 227 writing course was pretty difficult.
- * Human Resource Magement Manament & Leadership
- * BA 131- Excel knowledge is a must at PSU and in the business community. All accounting courses.
- * Not particularly. My bachelors and work experience is primarily in engineering and mathematics, so the most relevant courses I took at MHCC were mathematics courses.
- * Business Law was interesting and useful in day-to-day life - not just for a business student.
- * The most valuable course was the tax accounting and leadership class

Are there any new tools, applications or standards the program should address?

- * Excel
- * Accounting software
- * I believe I got all the tools, applications that covered my program.
- * Reporting and tax requirements specific to Oregon and Multnomah County, a checklist or schedule of what you need to file and when in the first year of a business.
- * Better excell, not one weeks worth
- * Speech class in business pgrms to help over come weakness.
- * it is pretty much cover all of the basic of general study.
- * Iâ€™m not entirely certain, because Iâ€™ve been focusing on international affairs since graduating.
- * No.
- * Provide details information of transfer credits to university not only in Portland areas
- * We really didnâ€™t cover any common softwares used daily by businesses
- * Focus more on Excel than other Microsoft products like word and PowerPoint. For accounting majors, a lot more knowledge about the industry. I had no idea there were different service lines and weâ€™d have to choose one. I had no idea what the CPA exam was
- * Update with other University in Oregon and other states to satisfy the transfer degree
- * Learning the networking skills required in the business community.
- * I am not aware of any.
- * Quickbooks should be covered or at least introduced.
