Was there a specific course (or courses) you considered more valuable than others?

* I had excellent experiences with my math courses and with Anna Johnson's classes. The instructors went above and beyond to serve their students. That stood in contrast to the rest of the classes, where instructors were either of little help or were comple

* BT131 was my favorite class and I will definitely take the class again. I really enjoy this class.

Are there any new tools, applications or standards the program should address?

* The resume class was useless. Touting the latest techniques from a book that was years old was a waste of time. As a note, all the changes suggested to my resume results in no responses from employers, while my old resume garnered interviews.
