## Cosmetology: Question 1

### Was there a specific course (or courses) you considered more valuable than others?

- \* Haircolor course
- \* Your basic foundation in hair, nails, esthetics. Hair extensions was an important class that could have used possibly a second class over hairstyling.
- \* The color class was great helped make most of the chemistry click

- \* Basic business management or salon management. More in depth not just teach straight from book on what types of employment you can have. I feel that there needs to be something that correlates to being a booth renter. ( in Oregon most salons require an i
